A Celebration of Georgian Motherhood

Explore the house, see the elegant ladies bedroom or visit the Georgian kitchen to discover how an 18th century woman's work was never done! The first Mothers on the day will receive a token keepsake courtesy of Crescent Flowers of Bath.

Draw an 18th century style silhouette of your mother that she can take home.

11-1pm

Please note that the silhouette event takes place at the top of the house with stair access. Children should be accompanied.

Enjoy readings of poetry and drama throughout the day reflecting motherhood in all its guises, with actress Ruth Sillers. Performances at 11am, 12.30pm, 2pm and 3.30pm.

Events free with normal admission to the museum.
